The Keepers of Metsan Valo Wendy Webb 2021-10-05 The spirits of Nordic folklore come calling in this entrancing tale of family secrets and ancient mysteries by the #1 Amazon Charts bestselling

author of *The Haunting of Brynn Wilder*. In Metsan Valo, her family home on Lake Superior, Anni Halla's beloved grandmother has died. Among her fond memories, what Anni remembers most vividly is her grandmother's eerie yet enchanting storytelling. By firelight she spun tall tales of spirits in the nearby forest and waters who could heal--or harm--on a whim. But of course those were only stories... The reading of the will now occasions a family reunion. Anni and her twin brother, their almost otherworldly mother, and relatives Anni hasn't seen in forever--some with good reason--are all brought back together under one roof that strains to hold all their tension. But it's not just Annie's family who is unsettled. Whispers wind through the woods. Laughter bursts from bubbling streams. Raps from unseen hands rupture on the walls. Fireflies swarm and nightmares stir. With each odd occurrence, Anni fears that her return has invited less a welcoming and more a warning. When another tragedy strikes near home, Anni must dive headfirst into the mysterious happenings to discover the truth about her home, her family, and the wooded island's ancient lore. Plunging into the past may be the only way to save her family from whatever bedevils Metsan Valo.

A Stolen Life Jaycee Dugard 2011-07-12 A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period

from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes. I Know My First Name Is Steven Mike Echols 1999 Tells how convicted child molester Kenneth Eugene Parnell abducted Steven, raising him as his own son for seven years until the boy's escape Secret Slave Anna Ruston 2016-12-29 The Sunday Times top ten bestseller... The unrelenting violence and degradation resulted in numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Lullabies for Little Criminals Heather O'Neill 2016-04-05 A new deluxe edition of the international bestseller by Heather O'Neill, the Giller-shortlisted author of *Daydreams of Angels* and *The Girl Who Was Saturday Night*, featuring an original foreword from the author, to celebrate the tenth anniversary of the coming-of-age story that *People* describes as "a vivid portrait of life on skid row." Baby, all of thirteen years old, is lost in the gangly, coltish moment between childhood and the strange pulls and temptations of the adult world. Her mother is dead; her father, Jules, is scarcely more than a child himself and is always on the lookout for his next score. Baby knows that "chocolate milk" is Jules' slang for heroin and sees a lot more of that in her house than the real article. But she takes vivid delight in the scrappy bits of happiness and beauty that find their

way to her, and moves through the threat of the streets as if she's been choreographed in a dance. Soon, though, a hazard emerges that is bigger than even her hard-won survival skills can handle. Alphonse, the local pimp, has his eye on her for his new girl; he wants her body and soul—and what the johns don't take he covets for himself. At the same time, a tender and naively passionate friendship unfolds with a boy from her class at school, who has no notion of the dark claims on her—which even her father, lost on the nod, cannot totally ignore. Jules consigns her to a stint in juvie hall, and for the moment this perceived betrayal preserves Baby from terrible harm—but after that, her salvation has to be her own invention. Channeling the artlessly affecting voice of her thirteen-year-old heroine with extraordinary accuracy and power, Heather O'Neill's heartbreaking and wholly original debut novel blew readers away when it was first published ten years ago. Now in a new deluxe package it is sure to capture its next decade of readers as Baby picks her pathway along the edge of the abyss to arrive at a place of redemption, and of love.

Freedom Jaycee Dugard 2017-07-11 In the follow-up to her #1 bestselling memoir, *A Stolen Life*, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. In *A Stolen Life* Jaycee told the story of her life from her abduction in 1991 through her reappearance in 2009. *Freedom: My Book of Firsts* is about everything that happened next. "How do you rebuild a life?" Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her grownup sister, her first trip to the dentist to her daughters' first day of school, her first taste of champagne to her first hangover,

her first time behind the wheel to her first speeding ticket, and her first dance at a friend's wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind you that there is, as Jaycee writes, "life after something tragic happens... Somehow, I still believe that we each hold the key to our own happiness and you have to grab it where you can in whatever form it might take." Freedom is an awe-inspiring memoir about the power we all hold within ourselves.

My Mother's Spice Cupboard Elana Benjamin 2018-11-01 *My Mother's Spice Cupboard* is the true story of the author's Sephardi Jewish family's migration from Baghdad to Bombay (now Mumbai) to Sydney. Unlike most other Australian Jews, her parents were born and grew up in Bombay, and her grandparents came from Iraq, Burma and India. Her father's family immigrated to Sydney, her mother's to Los Angeles, both in the 1960s. They married in Sydney and raised their family there, alongside the father's many brothers and sisters and members of their former Bombay community. Despite being Jewish, her upbringing was greatly influenced by the food, language and culture of India, and to a lesser extent, Iraq. *My Mother's Spice Cupboard* is the story of what happened to a community which no longer exists, how its members built new lives in a different country, and what it was like to grow up as one of their children. It's also about how much things have changed over

four generations in one family. The author's grandparents' arranged marriage produced nine children; both her parents grew up within the confines of Bombay's insular Baghdadi Jewish community whereas she grew up as a first generation Australian in Sydney. Her children's lives are underpinned by the differing Jewish traditions of her family and her husband's family. The themes underlying the story are those of family and community versus individuality; choice versus obligation; and tradition versus modernity. And underlying the entire narrative is the importance of food and cooking, which goes beyond the mere provision of sustenance to express warmth, love and hospitality.

An Intimate Life Cheryl T. Cohen-Greene 2012-11-13 The real life behind Helen Hunt's Oscar-nominated performance in *The Sessions*: “A provocative and unusual book about a provocative and unusual profession” (Booklist). For the past forty years, Cheryl Cohen Greene has worked as a surrogate partner, helping clients to confront and ultimately accept their sexuality. In this riveting memoir, Cohen Greene shares some of her most moving cases, and also reveals her own sexual coming-of-age. Beginning with a rigid Catholic upbringing in the 1950s, where she was taught to think sex and sexual desires were unnatural and wrong, Cohen Greene struggled to reconcile her sexual identity. In the 1960s Sexual Revolution, Cohen Greene found herself drawn to alternative sexual paths, and ultimately achieved a rich and rewarding career as a surrogate partner. Sex surrogacy as a profession was first developed by noted sex researchers Masters and Johnson in the 1960s, and since its inception has remained in the shadows. *An Intimate Life* offers a candid look into the personal and professional life of a surrogate partner, examining the cultural and emotional ramifications of pursuing something most people consider taboo. The memoir opens

with Cohen Greene's work with Berkeley-based poet and journalist Mark O'Brien, who was confined to an iron lung after contracting polio at age six. His short essay "On Seeing A Sex Surrogate" was adapted into the film *The Sessions* starring John Hawkes and Helen Hunt as Cheryl T. Cohen Greene.

Una Vida Robada Jaycee Dugard 2012-01-03 En el verano de 1991, yo era una niña normal. Hacía cosas normales. Tenía amigos y una madre que me amaba. Era como tú. Hasta el día en que me robaron la vida. Durante dieciocho años fui una prisionera. Era un objeto que alguien usaba y abusaba. Durante dieciocho años no me permitieron decir mi propio nombre. Me hice madre y fui forzada a ser una hermana. Durante dieciocho años sobreviví una situación imposible. El 26 de agosto de 2009 reclamé mi nombre. Me llamo Jaycee Lee Dugard. No me veo como una víctima. Sobreviví. Una vida robada es mi historia, en mis propias palabras, de mi propia manera, tal y como la recuerdo. La piña es un símbolo que representa la semilla de un comienzo nuevo para mí. Para ayudar a facilitar comienzos nuevos, con el apoyo de la terapia asistida por animales, la J A Y C Foundation brinda apoyo y servicios para el tratamiento oportuno de familias recuperándose de un secuestro y las secuelas que dejan esas experiencias traumáticas —familias como la mía que necesitan aprender cómo sanarse. Además, J A Y C Foundation espera facilitar la conciencia dentro de las escuelas sobre lo importante que es cuidarse el uno al otro. Nuestro lema es: "Solo pídetes a ti mismo que... ¡te importe!"

January First Michael Schofield 2012-08-07 Michael Schofield's daughter January is at the mercy of her imaginary friends, except they aren't the imaginary friends that most young children have; they are hallucinations. And January is caught in the conflict between our world and their world, a place she calls Calalini. Some of these hallucinations, like "24 Hours," are friendly and some, like "400 the Cat" and "Wednesday the Rat," bite and scratch her until she does what they want. They often tell her to scream at strangers, jump out of buildings, and attack her baby brother. At six years old, January Schofield, "Janni," to her family, was diagnosed with schizophrenia, one of the worst mental illnesses known to man. What's more, schizophrenia is 20 to 30 times more severe in children than in adults and in January's case, doctors say, she is hallucinating 95 percent of the time that she is awake. Potent psychiatric drugs that would level most adults barely faze her. A New York Times bestseller, January First captures Michael and his family's remarkable story in a

narrative that forges new territory within books about mental illness. In the beginning, readers see Janni's incredible early potential: her brilliance, and savant-like ability to learn extremely abstract concepts. Next, they witness early warning signs that something is not right, Michael's attempts to rationalize what's happening, and his descent alongside his daughter into the abyss of schizophrenia. Their battle has included a two-year search for answers, countless medications and hospitalizations, allegations of abuse, despair that almost broke their family apart and, finally, victories against the illness and a new faith that they can create a life for Janni filled with moments of happiness. A compelling, unsparing and passionate account, *January First* vividly details Schofield's commitment to bring his daughter back from the edge of insanity. It is a father's soul-baring memoir of the daily struggles and challenges he and his wife face as they do everything they can to help Janni while trying to keep their family together.

EXCERPT FROM THE BOOK Jaycee Dugard opens her memoir by providing an Author's Note explaining how her book may be confusing to her readers. She describes how her mind jumps from one memory to the next and, in order to keep her voice, that's how she wants to write her story. "Even after I was freed, moments are fragmented and jumbled. With some help, I have come to realize that my perspective is unique to abduction." Her note is followed by her most recent school portrait taken when she was eleven-years-old. Jaycee begins her story in the introduction by explaining she was held captive for eighteen years and, during that entire time, she wasn't allowed to say her name. She wants this memoir to help others who might have gone through a similar situation, "With my writings, I hope to convey that you can endure tough situations and survive. Not just survive, but be okay even on the inside, too." Buy a copy to keep reading!
