The Essential Theatre Oscar Gross Brockett 2013-03-28 Engage your students and get them excited about theatre with the Enhanced Tenth Edition of THE ESSENTIAL THEATRE, International Edition. The combined authorship of an authoritative theatre historian and his former student—an active theatre practitioner and historian himself—makes this book ideal for an introductory theatre course. THE ESSENTIAL THEATRE has established a reputation as one of the most comprehensive, authoritative surveys of the theatre in academia. With vibrant and numerous representations of current and classic performances, this text encourages students to become active theatergoers and fans.

Colonial Lives Richard E. Boyer 2000 Colonial Lives offers a rich variety of archival documents in translation which bring to life the political and economic workings of Latin American colonies during 300 years of Spanish rule, as well as the day-to-day lives of the colonies' inhabitants. Intended to complement textbooks such as Burkholder and Johnson's Colonial Latin America by presenting students with primary sources -- the raw materials on which the facts in other textbooks are based -- this reader strives to illustrate the impact of issues such as race, class, gender, sexuality, culture and religion in the daily lives of both natives and colonists alike. The concerns, struggles and perspectives of the inhabitants of colonial Latin America are reflected in transcripts of civil and criminal court cases, administrative reviews, ecclesiastical investigations, Inquisition trials, wills, and letters the editors have included in this reader. Each document is prefaced by an introduction that places it in the social and political context of the period. The book also includes a glossary of terms and lists of suggested further readings. Most uniquely, the book offers helpful thematic cross-referencing sections and an index of themes which allow instructors to easily adapt the book to their courses and to assign readings according to the criteria of their own specific curriculums.

Benjamin Franklin Publishing Influential Events 2020-03-07 Benjamin Franklin: The Truth about Benjamin Franklin's Life and Political Principles Revealed

You Gotta Be Kidding! Workman Publishing 2020-07-14 Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs. right-handedness, what's dangerously filthy and what's just gross, why we blush when we're embarrassed—so kids can learn something as they laugh!

Canon EOS 60D For Dummies.

Leica R8 Jonathan Eastland 1997 This book details the Leica R8 and its lenses and accessories, with guidance over handling and using this equipment. This manual will help both owners and prospective owners of an R8. Sections of lenses and their usage, as well as different drives and accessories with an extensive section on flash with the R8.

The Ball Python Philippe De Vosjoli 2012-01-03 Written by a team of internationally respected herpetologists led by Philippe de Vosjoli, The Ball Python Manual is an authoritative

introduction to this popular snake. The ball python is admired around the world for its distinctly African appearance and its relative medium size and tameability. This colorful manual offers up-to-date and reliable information on selection, acclimating, handling, housing and maintaining ball pythons, all of which will be extremely valuable to newcomers to this remarkable python. Dr. Roger Klingenberg's chapter on health care is indispensable for all snake keepers with excellent advice for troubleshooting health issues for each of the snake's anatomical regions. The breeding chapter by David and Tracy Barker discusses sexing, sexual maturity, and all aspects of captive reproduction and hatching. The volume concludes with resources and a complete index.

Canon EOS Rebel T7/2000D User Guide Curtis Campbell 2021-05-13 The Canon EOS Rebel T7/2000D is an entry-level camera in the Rebel line of cameras, which has a lot of appeals but also presents some challenges to new users. The camera is ideal for someone looking to dip their toes into the world of photography or someone who wants to do some hobby photography and needs a camera to take photos of their pets. Or, for anyone who's looking to learn more about the world of photography or to take their skills to the next level. What does this camera look like? The answer, according to Canon, is that the new EOS Rebel T7/2000D is "an excellent family companion for young photographers starting" - the digital camera company has released a digital camera specifically designed for youngsters, suitable for shooting close-up, full-size human subjects, as well as high-definition video, and for studio and event work. The Canon EOS Rebel T7/2000D has a 45-point autofocus system with 77 percent coverage; a 7-point cross-type AF system with 27 percent coverage; a 1.3-megapixel fixed-focus HD image sensor; and 3x optical zoom with digital zoom up to an extra 2x. It can shoot raw format images, and has "a high-speed continuous shooting mode." The camera offers simple control, natural-looking results, and the choice of advanced features for younger photographers and all photography enthusiasts." Knocking at God's Door Oswald Chambers 2015-10-30 Lord, my chief desire is to be rooted and grounded in you—God-centered and God-absorbed, God-enthused and God-loved. How eager my soul is to know you and be still! Learn how to pray through the prayers of a man totally surrendered to Christ. Selected and arranged by Bidy Chambers from her husband's personal diary, this collection of 365 prayers provides a unique glimpse into the spiritual life of Oswald Chambers, author of the classic devotional My Utmost for His Highest. Exhibiting humility and perseverance, these petitions encourage you to knock at God's door, enter into His presence, and live your "utmost for His highest."

High Tide Jude Deveraux 2012-12-11 Fiona is the creator of fashion doll sensation Kimberley, and is quite satisfied with her career-focused life. Yet when her boss informs her that she must win over a new account by going camping with the creator of a hit children's TV show, she is extremely reluctant. Nevertheless, she goes to Florida to meet Roy and his Guide Ace Montgomery. When Roy is found dead with Fiona holding the bloody knife, she becomes the prime suspect - though she has no recollection of what happened. Things get worse when she learns that Roy, until now a stranger to her, left her all the proceeds from his new TV show, giving her a strong motive for murder. Suddenly, she and Ace find themselves on the run, and being condemned by the press for murder. They must prove their innocence by discovering the true motive and murderer of Roy. Fiona and

Ace figure out they are linked through her father, and it is then that Fiona learns the secrets of her family's past, turning her world upside down.

The Leopard Gecko Manual Philippe De Vosjoli 2011-10-04 Considered by author Philippe de Vosjoli as "the first domesticated species of lizard," the leopard gecko has fast become "the reptilian version of the parakeet or goldfish." Leopard Geckos takes a close look at the characteristics of this species that have made these attractive lizards so amazingly popular in the pet world. As a hardy, easy care, and potentially long-lived lizard, the leopard gecko is the perfect size, attractive in its velvety skin, and fairly easy to breed. The subject of breeding geckos is covered in multiple chapters in this book led by author and herp expert de Vosjoli, who is joined by gecko specialists Dr. Roger Klingenberg, Ron Tremper, and Dr. Brian Viets, who each contribute special chapters to this up-to-date and authoritative guide. Colorfully illustrated, Leopard Geckos provides excellent general guidelines for keepers who wish to add a gecko to their vivarium and maintain their pet in excellent health and condition. The authors provide an introduction to gecko characteristics including distribution, size, longevity, and growth rate, to help beginners better understand the anatomy and behavior of these fascinating lizards. This Advanced Vivarium Systems title includes information about selecting a healthy leopard gecko, handling, housing needs, water and feeding requirements, and shedding and tail loss. Dr. Klingenberg provides the chapter "The Recognition and Treatment of Disease," which covers specific disorders keepers should be aware of. De Vosjoli begins the discussion on breeding leopard geckos, and then is joined by Dr. Viets for a chapter on "Incubation Temperature and Hatchling Sex and Pigmentation." Tremper's chapter on "Color and Pattern Variations" focuses on the genetic aspects of breeding leopard geckos. The book also discusses the African fat-tailed gecko plus other eublepharids, including the African clawed gecko, Japanese leopard gecko, Malaysian cat gecko, and the Central American banded gecko.

Canon EOS R6 Pocket Menu Guide Makoto Honda 2021-07-04 Canon EOS R6 mirrorless digital camera - Portable menu reference. EOS R6 Firmware Version 1.4.0. The book contains all the menus in the colorful EOS R6 user-interface. This pocket guide is a complete assemblage of all the menu items in the EOS R6 menu hierarchy (version 1.4.0). Take this portable menu guide with you wherever your photographic adventure takes you.

Fangs For The Memories Kathy Love 2007-09-01 Oh, Brother! I'm watching my brother swagger through our New York City apartment. . .smiling. Rhys, the detached, surly man who turned brooding into an art form. But he's not brooding now. No, he's practically threatening to pistol whip me for shaking hands with the beautiful, half-dressed creature named Jane who just tried to sneak out of his bedroom. Weird. Brother Grim has a sex drive? That's not all that has me freaked out. Something terrible happened last night, something that made Rhys break his own rule and save the life of a mortal. Trouble is he doesn't remember anything from the past two hundred years. Like that he's a vampire, not a Regency viscount with an English accent. All I know is this mortal woman has managed to touch my brother's frozen heart, and I, Sebastian Young, will do whatever it takes to help him keep her. . .

David Busch's Sony Alpha a6300/ILCE-6300 Guide to Digital Photography David Busch 2016-06-24 David Busch's Sony Alpha a6300/ILCE-6300 Guide to Digital Photography is the most comprehensive reference and guide book available for Sony's advanced APS-C mirrorless camera. The Canon Camera Book Jasmin Snook 2016

Blood-Kissed Sky J. A. London 2012-12-26 The second book in a romantic and drama-packed trilogy perfect for fans of Rachel Vincent, Julie Kagawa, and Alyson Noel. Lusciously romantic and full of action-packed drama, readers will be swept away by this thrilling novel. Dawn Montgomery knows that monsters really do come out at night—after all, they are her job. It's just after the thirty-year war between vampires and humans, and as an ambassador between the two sides (a role she inherited when her parents were killed), Dawn quickly learns that balancing schoolwork, teen life, and the requests of Lord Valentine, the most frightening vampire in the region, isn't easy. There's nowhere left to hide. I thought vampires were our enemies—they controlled our lives, isolated our cities, and demanded our blood—until I met Victor. With Victor taking over as the new Lord Valentine, things were supposed to get better. Instead, they're worse than ever. Day Walkers, a new breed of vampires who can walk in the sun, are terrorizing the city. Blood supplies are low, and if Victor's vampires don't get enough, they will become infected with the Thirst—a disease that will turn them into mindless killers. To stop it, I must journey across the desolate wasteland to the very place where the sickness began. I can only hope that the answers that await me are enough to save us all...before it's too late.
