Follow Your Detour: Let Go of Your Pain, Conquer Your Fear, and Find the Real You Lindsay McKenzie 2019-03-12 We've all been told to "follow our dreams", but what happens when those dreams aren't working out? Part personal memoir, part self-help, Follow Your Detour will inspire you to embrace the unexpected, let go of your pain and fears, and find the courage to create your own path.

Photographing Big Bend National Park Kathy Adams Clark 2013-02-03 With its combination of desert and mountain landscapes, the dramatic canyons of the Rio Grande, ancient pictographs,

and remnants of pioneer ranch life, Big Bend National Park presents a wealth of subjects to the photographic eye. Add early morning and late evening sunlight, summer thunderstorms, and clear, star-spattered night skies, and the opportunities become irresistible. Professional nature photographer and frequent Big Bend traveler Kathy Adams Clark offers this handy and beautiful guide to maximizing the photographic experience of this visually stunning landscape.

Photographing Big Bend National Park begins with a tutorial on the basics of light meters, shutter speeds, and f/stops, featuring practical, hands-on-camera exercises and answers to common questions. The chapters that follow take readers on six excursions to well-known locations within the park—the Basin, Panther Junction, Rio Grande Village, Ross Maxwell Drive, Santa Elena Canyon, and the Chisos Mountains among them. A primer on night photography (including “light-painting” and star trails) is also included. Within each chapter are instructions for photographing various subjects at the site using simple, intermediate, and advanced techniques; information on the best seasons to photograph; and tips designed to benefit the novice. Photographing Big Bend National Park not only provides practical information for photographers of all skill levels, it also offers a visual feast of striking images. Nature lovers, photographers, and anyone who loves this remarkable national park will treasure this latest book from veteran writer and photographer Kathy Adams Clark.

Hiking Grand Canyon National Park Ron Adkison 1997 Fine, detailed guide to all the recognizable trails in the park (most are not maintained, some barely perceptible). Introduced by warnings, geology, maps, camping, planning. The hikes section begins with a general description, distance, difficulty, hiking time, condition, elevation change, water availability, water cache spots, best season, camping regulations, map's, mileage of key points, and elevation profile. The hike description covers quality of trail, general route, intimate view of obscure places, plants, geology,

camp sites realistic hiking times. Falcon has released four other Hiking ... guides recently: Yellowstone, and Oregon's Three Sisters Country, as well as Touring California & Nevada Hot Springs.

Hiking Big Bend National Park Laurence Parent 2022-05-01 Fully updated and revised, Hiking Big Bend National Park features some of the finest trails in Texas - from short day hikes to backcountry treks. With this comprehensive guide, veteran hiker Laurence Parent provides all the information you need to get the most out of hiking this natural wonderland. Look inside to find: Hikes suited to every ability Full-color photos throughout Detailed trail descriptions GPS-compatible trail maps and route profiles Mile-by-mile directional cues Difficulty ratings, trail contacts, fees/permits, and much more

The Texanist David Courtney 2017-04-25 A collection of Courtney's columns from the Texas Monthly, curing the curious, exorcizing bedevilment, and orienting the disoriented, advising "on such things as: Is it wrong to wear your football team's jersey to church? When out at a dancehall, do you need to stick with the one that brung ya? Is it real Tex-Mex if it's served with a side of black beans? Can one have too many Texas-themed tattoos?"--Amazon.com.

Death In Big Bend Laurence Parent 2010 Most people visit Big Bend National Park and have a wonderful, incident-free vacation. For a tiny number, however, a simple mistake, unpreparedness, or pure bad luck has lead to catastrophe. Massive rescue efforts and fatalities, while rare, do happen at the park. Heat stroke, dehydration, hypothermia, drowning, falls, lightning, and even murder have claimed victims at Big Bend. This book chronicles selected rescues and tragedies that have happened there since the early 1980s. The lessons you learn reading this book may save your life.

Hiking Carlsbad Caverns and Guadalupe Mountains National Parks Bill Schneider 2005-04-15

Carlsbad Caverns National Park in southeastern New Mexico is renowned for its amazing system of limestone caves. Both Carlsbad and the nearby Guadalupe Mountains National Park, just across the state line in Texas, are also blessed with spectacular above-ground trails. This thoroughly revised edition is the authoritative and the only comprehensive guide to all of the hiking trails in both parks.

Hiking Virginia Bill Burnham 2018-07-30 Winner of a National Outdoor Book Award Honorable Mention, Hiking Virginia is indispensable for exploring the Commonwealth. Authors Bill and Mary Burnham breath fresh air into popular Virginia destinations, and explore commonly overlooked yet equally dramatic hikes. Explore the history of a young American nation; watch stories of lost cultures come alive; and imagine the ghosts of Indian raiders, moonshiners, and outlaws haunting the backcountry routes of the past. Packed with notes on plants, trees, and geology, plus a list of local attractions and "good eats and sleeps" for the weary hiker, Hiking Virginia covers the Commonwealth's outdoors from the sea shores to the mountain slopes, past and present. Also included is a special section detailing the Appalachian Trail through Virginia, taking thru-hikers along the six-week route from Damascus, Virginia to Harpers Ferry, West Virginia. Inside readers will find: full-color photos, detailed color maps, accurate route profiles showing the ups and downs of each hike, tips on equipment, trip planning, hiking with dogs and children, accurate directions, difficulty ratings, trail contacts, and more.

Enjoying Big Bend National Park Gary Clark 2009

Hiking Rocky Mountain National Park Kent Dannen 2023-05 A comprehensive, easy-to-use fieldguide to forty of the best hikes Rocky Mountain National Park has to offer, complete with gorgeous black-and-white line art illustrations.

Hiking Big Bend National Park Laurence Parent 2015-04-16 Fully updated and revised, this comprehensive guide features forty-seven trails in Big Bend National Park.

The Work of the Dead Thomas W. Laqueur 2018-05-08 The meaning of our concern for mortal remains—from antiquity through the twentieth century The Greek philosopher Diogenes said that when he died his body should be tossed over the city walls for beasts to scavenge. Why should he or anyone else care what became of his corpse? In *The Work of the Dead*, acclaimed cultural historian Thomas Laqueur examines why humanity has universally rejected Diogenes's argument. No culture has been indifferent to mortal remains. Even in our supposedly disenchanted scientific age, the dead body still matters—for individuals, communities, and nations. A remarkably ambitious history, *The Work of the Dead* offers a compelling and richly detailed account of how and why the living have cared for the dead, from antiquity to the twentieth century. The book draws on a vast range of sources—from mortuary archaeology, medical tracts, letters, songs, poems, and novels to painting and landscapes in order to recover the work that the dead do for the living: making human communities that connect the past and the future. Laqueur shows how the churchyard became the dominant resting place of the dead during the Middle Ages and why the

cemetery largely supplanted it during the modern period. He traces how and why since the nineteenth century we have come to gather the names of the dead on great lists and memorials and why being buried without a name has become so disturbing. And finally, he tells how modern cremation, begun as a fantasy of stripping death of its history, ultimately failed—and how even the ashes of the victims of the Holocaust have been preserved in culture. A fascinating chronicle of how we shape the dead and are in turn shaped by them, this is a landmark work of cultural history.

Big Bend Ranch State Park Robert Fuller 2019-10-20 Big Bend Ranch State Park stretches along the Rio Grande in far west Texas, on the US-Mexico border. Featuring 300,000 acres of remote desert landscape, spectacular views, rugged mountains, steep canyons, and 238 miles of multi-use trails. This guide is an informative "trail buddy", designed to help plan your hiking adventure and to carry with you on the trail. Highlights include: \* 12 easy-to-moderate hikes \* 5 trails easily accessible from FM 170 \* 7 trails within the remote park interior \* Hikes range from approximately 1-8 miles \* Photos, trail descriptions, maps, reference points, directions and safety tips

Official Guide to Texas State Parks and Historic Sites Laurence Parent 2009-02-17 Since it was first published in 1996, Official Guide to Texas State Parks and Historic Sites has become Texans' one-stop source for information on great places to view scenic landscapes, tour historical sites, camp, fish, hike, backpack, swim, ride horseback, go rock climbing, and enjoy almost any other outdoor recreation. This revised edition includes five new state parks and historical sites, completely updated information for every park, and many beautiful new photographs. The book is organized by geographical regions to help you plan your trips around the state. For every park, Laurence Parent provides all of the essential information: The natural or historical attractions of the park Types of recreation offered Camping and lodging facilities Addresses and phone numbers A locator map Magnificent color photographs So if you want to watch the sun set over Enchanted

Rock, fish in the surf on the beach at Galveston, or listen for a ghostly bugle among the ruins of Fort Lancaster, let this book be your complete guide. Don't take a trip in Texas without it.

The Story of Big Bend National Park John Jameson 2010-07-05 A breathtaking country of rugged mountain peaks, uninhabited desert, and spectacular river canyons, Big Bend is one of the United States' most remote national parks and among Texas' most popular tourist attractions. Located in the great bend of the Rio Grande that separates Texas and Mexico, the park comprises some 800,000 acres, an area larger than the state of Rhode Island, and draws over 300,000 visitors each year. The Story of Big Bend National Park offers a comprehensive, highly readable history of the park from before its founding in 1944 up to the present. John Jameson opens with a fascinating look at the mighty efforts involved in persuading Washington officials and local landowners that such a park was needed. He details how money was raised and land acquired, as well as how the park was publicized and developed for visitors. Moving into the present, he discusses such issues as natural resource management, predator protection in the park, and challenges to land, water, and air. Along the way, he paints colorful portraits of many individuals, from area residents to park rangers to Lady Bird Johnson, whose 1966 float trip down the Rio Grande brought the park to national attention. This history will be required reading for all visitors and prospective visitors to Big Bend National Park. For everyone concerned about our national parks, it makes a persuasive case for continued funding and wise stewardship of the parks as they face the twin pressures of skyrocketing attendance and declining budgets.

Hiking Alabama Joe Cuhaj 2014-09-02 The premier guide to 51 of the greatest hikes in Alabama. This one-of-a-kind guide to the "State of Surprises" takes hikers to the summits of the last of the Appalachian Mountain chain, the deep and wild canyons and rivers of Central Alabama, and the pristine white beaches of the Gulf of Mexico. Inside readers will find detailed maps, accurate route

profiles showing the ups and downs of each hike, tips on equipment, trip planning, and hiking with dogs and children, accurate directions, difficulty ratings, trail contacts, and more.

Yonderings Ben H. English 2017 It was a time before Terlingua Ranch and chili cook-offs, and you could drive a hundred miles without seeing another vehicle or another person. The year was 1961, and the tides of humanity which ebbed and flowed into the lower reaches of the Big Bend were at their historical nadir. It was a vast, empty land spotted by isolated ranch headquarters, a national park with few visitors, and the many ruins of a past shrouded in legend, lore, and improbable truths. There was no television, no daytime radio, few telephones, and very few people. Ben H. English came to the Big Bend at the age of two, the fifth of six generations of his family to call this enigmatic region home. With his family headquartered at the old Lajitas Trading Post, he worked and lived on ranches and places now little more than forgotten dots on yellowing maps. He attended the one-room schoolhouse at Terlingua, prowled the banks of the Rio Grande, and crisscrossed the surrounding areas time and again on horseback and by foot. Some fifty years later he writes about those many decades ago, as well as the history and legends of this singular land he knows so well. Ben separates fact from fiction and brings the reader into a world that few these days can ever imagine, much less experience. He also writes about the lower Big Bend as it is found now, and what one can still rediscover just over the next rise.

Naturalist's Big Bend Roland H. Wauer 2002 Given in honor of District Governor Hugh Summers and Mrs. Ahnise Summers by the Rotary Club of Aggieldand with matching support from the Sara and John H. Lindsey '44 Fund, Texas A & M University Press, 2004.
