The Warmth of the Heart Prevents Your Body from Rusting Marie De Hennezel 2013-09-24 A breakout bestseller in France and the U.K. and a transformative guide to growing older with confidence, courage, and even optimism How should we accept aging? It's inevitable, and yet in Western society the very subject of growing older is shrouded in anxiety and shame. Aging brings us face to face with our sacred and our mundane, our imperfections and our failures. Here internationally renowned clinical psychologist and bestselling French author Marie de Hennezel shows us how to see the later stages of life through a prism that celebrates our accomplishments and gives us fulfillment in our present. Combining personal anecdotes with psychological theory, philosophy, and eye-opening scientific research from around the world, this thought-provoking and refreshing book provides a brave and uplifting meditation on our later years as they should be lived.

Intimate Death Marie DeHennezel 2009-06-17 How do we learn to die? Most of us spend our lives avoiding that question, but this luminous book--a major best-seller in France--answers it with a directness and eloquence that are nothing less than transforming. As a psychologist in a hospital for the terminally ill in Paris, Marie de Hennezel has spent seven years tending to people who are relinquishing their hold on life. She tells the stories of her patients and their families. de Hennezel teaches us how to turn death--our loved ones' or our own--from something lonely and agonizing into a sacred passage. She discusses the importance of an honest reckoning, the value of ritual, the necessity of touch. In imparting these lessons, Intimate Death becomes a guide to living more fully, more intensely, than we had thought possible. "Unique...Of all the books I have read about the endings of our lives, this elegiac testimony has taught me the most."--Sherwin B. Nuland, M.D., author of How We Die "The quiet, obvious truths [de Hennezel] discovers in her work--these things have a kind of cumulative power."--Washington Post Book World From the Trade Paperback edition.

Baromaas Sad?nanda De?amukha 2013 Based on economic and social problems of farmers in Indian society.

The Swiss Family Robinson (Diversion Illustrated Classics) Johann David Wyss 2016-06-28 A beloved adventure classic, The Swiss Family Robinson is a tale of courage in the face of the unknown that has endured the test of time. Trapped on a remote island after a storm leaves them shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this Diversion Classics edition is ideal for use in book groups and classrooms. For more classic titles like this, visit www.diversionbooks.com/ebooks/diversion-classics I'll Wait For You Till The Eternity Rihan khalyani 2020-08-01 The love story which starts in early 90s, mainly revolves around three characters Aamir, Shikha and Samaira. Aamir an MBA graduate resides in Delhi. He was separated from his girlfriend Shikha during the Lucknow riots three years ago. Aamir has been living a depressed and a stressful life for the past three years. His best friend Bhaskar insists him to see a psychologist. Aamir decides to consult a psychologist named Samaira who is also a friend of Bhaskar. On the other side his mother wants him to get married and settle down in life. She is unaware about his affair with Shikha. Aamir shares his past with Samaira during his counselling sessions. After spending a lot of time with Aamir, Samaira also starts feeling strongly for him. She starts leaning towards him. Samaira also try to convince him to move on before sharing her feelings with him, but Aamir stays adamant on his decision and continues his search for Shikha. Aamir's quest for Shikha guides him to beautiful Ladakh. But could Aamir find Shikha? What exactly happened during the riots that separated the true lovers? All the answers unfold in the climax of an enchanting love story.

Wings of Fire Avul Pakir Jainulabdeen Abdul Kalam 1999 Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country`S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Developments in Fungal Biology and Applied Mycology Tulasi Satyanarayana 2017-12-29 This book explores the developments in important aspects of fungi related to the environment, industrial mycology, microbiology, biotechnology, and agriculture. It discusses at length both basic and applied aspects of fungi and provides up-to-date laboratory-based data. Of the estimated three million species of fungi on Earth, according to Hawksworth and coworkers, more than 100,000 have been described to date. Many fungi produce toxins, organic acids, antibiotics and other secondary metabolites, and are sources of useful biocatalysts such as cellulases, xylanases, proteases and pectinases, to mention a few. They can also cause diseases in animals as well as plants and many are able to break down complex organic molecules such as lignin and pollutants like xenobiotics, petroleum and polycyclic aromatic compounds. Current research on mushrooms focuses on their hypoglycemic, anti-cancer, anti-pathogenic and immunity-enhancing activities. This ready-reference resource on various aspects of fungi is intended for graduate and post-graduate students as well as researchers in life sciences, microbiology, botany, environmental sciences and biotechnology.

Karna Ranjit Desai 2019-08-25 "Who am I?" It was a question that had troubled him all his life. His whole life had seemed entangled in the answer. His dignity, his destination, his ambitions -- they all seemed linked to that entanglement. The irony was that the truth, instead of liberating him, had made him rudderless. In the Mahabharata, Karna is known to be the only warrior who could match Arjuna. Born of a god and a mother who abandons him at birth, Karna is mistreated from birth. Rejected by Drona, taunted by Draupadi, insulted by his blood brothers, misunderstood by many and manipulated even by the gods, Karna is the classic tragic hero. In his novel Radheya, Ranjit Desai, the author of Marathi classics like Shriman Yogi and Swami, gives voice to the angst and loneliness of Karna. Translated into English for the first time, the novel brings to surface the many sides to Karna's character: his compassionate nature, his hurt and hubris, the love for his wife, his allegiance to Duryodhana, and his complicated relationship with Krishna.

Table Tales Hanan Sayed Worrell 2018-10-23 For all food and travel lovers, this unique cookbook is the first to present Abu Dhabi as a culinary crossroads—where the global goes local—and to highlight the people making it happen. In recent decades, Abu Dhabi, the capital city of the United Arab Emirates, has experienced a steady influx of people from around the world, all bringing their culinary influences. From Syria to Spain, India to Italy, Afghanistan to the Americas, an enticing array of aromas, flavors, and textures has blended with the local foodways to create a vibrant urban food culture of reinvention and collaboration, at home and on the streets. In this book, Hanan Sayed Worrell gives us an unprecedented tour of these fascinating culinary treasures. As a long-time resident of Abu Dhabi, the author takes us where few visitors can go: into the homes and lives of locals and expatriates. Through a collection of touching individual stories, delicious recipes, and vibrant photographs, we experience life in this rapidly evolving city. Table Tales: The Global Nomad Cuisine of Abu Dhabi is inspired by the many meals hosted at the Worrell's dinner table for guests from around the world. As a careful and affectionate observer of the city for over a quarter century, Worrell guides the reader on a culinary pilgrimage by way of its streets, homes, and flavors.

Sex and Culture Joseph Daniel Unwin 1934

Sachin Tendulkar Viabhav Purandare 2010-05-01 A biograpahy of Sachin Tendulkar

Savarkar Vikram Sampath 2019-08-16 As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century. Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light. Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy and the Indian National Congress. An alleged atheist and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was, arguably, the most vocal political voice for the Hindu community through the entire course of India's freedom struggle. From the heady days of revolution and generating international support for the cause of India's freedom as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported and incarcerated at the Cellular Jail, in the Andamans, for over a decade, where he underwent unimaginable torture. From being an optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of 'Hindutva', which viewed Muslims with suspicion? Drawing from a vast range of original archival documents across India and abroad, this biography in two parts--the first focusing on the years leading up to his incarceration and eventual release from the Kalapani--puts Savarkar, his life and philosophy in a new perspective and looks at the man with all his achievements and failings.

Wise & Otherwise Sudha Murthy 2006-07-18 Fifty vignettes showcase the myriad shades of human nature A man dumps his aged father in an old-age home after declaring him to be a homeless stranger, a tribal chief in the Sahyadri hills teaches the author that there is humility in receiving too, and a sick woman remembers to thank her benefactor even from her deathbed. These are just some of the poignant and eye-opening stories about people from all over the country that Sudha Murty recounts in this book. From incredible examples of generosity to the meanest acts one can expect from men and women, she records everything with wry humour and a directness that touches the heart. First published in 2002, Wise and Otherwise has sold over 30,000 copies in English and has been translated into all the major Indian languages. This revised new edition is sure to charm many more readers and encourage them to explore their inner selves and the world around us with new eyes.

Yugandhar 2020

The Ground Between Veena Das 2014-04-21 The guiding inspiration of this book is the attraction and distance that mark the relation between anthropology and philosophy. This theme is explored through encounters between individual anthropologists and particular regions of philosophy. Several of the most basic concepts of the discipline—including notions of ethics, politics, temporality, self and other, and the nature of human life—are products of a dialogue, both implicit and explicit, between anthropology and philosophy. These philosophical undercurrents in anthropology also speak to the question of what it is to experience our being in a world marked by radical difference and otherness. In The Ground Between, twelve leading anthropologists offer intimate reflections on the influence of particular philosophers on their way of seeing the world, and on what ethnography has taught them about philosophy. Ethnographies of the mundane and the everyday raise fundamental issues that the contributors grapple with in both their lives and their thinking. With directness and honesty, they relate particular philosophers to matters such as how to respond to the suffering of the other, how concepts arise in the give and take of everyday life, and how to be attuned to the world through the senses. Their essays challenge the idea that philosophy is solely the province of professional philosophers, and suggest that certain modalities of being in the world might be construed as ways of doing philosophy. Contributors. João Biehl, Steven C. Caton, Vincent Crapanzano, Veena Das, Didier Fassin, Michael M. J. Fischer, Ghassan Hage, Clara Han, Michael Jackson, Arthur Kleinman, Michael Puett, Bhrigupati Singh Samidha

S?dhan? ?ma?e 2008 Autobiographical reminiscences of Sadhana Amat?e, social worker from Maharashtra and her association with her husband, Baba Amat?e.

Social and Sustainability Marketing Jishnu Bhattacharyya 2021-09-26 "... an important intervention in the conversation around social and ecological sustainability that draws on both micromarketing and macromarketing scholarship to help the reader understand the challenges with illustrations from insightful cases both from emerging and developed economies. This compilation should be essential reading for the discerning student of sustainable consumption and production." -- Professor Pierre McDonagh, Associate Editor, Journal of Macromarketing (USA); Professor of Critical Marketing & Society, University of Bath, UK Experts in the field of economics, management science, and particularly in the marketing domain have always been interested in and acknowledged the importance of sustaining profitable businesses while incorporating societal and environmental concerns; however, the level of existing literature and availability of teaching cases reflect a dearth of real case studies, especially those focused on marketing for social good. This book of actual case studies will address that need. In addition, this book is important and timely in providing a case book for instructors (those in both industry and academia) to help them in teaching and training the next generation of leaders through corporate training and universities. Currently, marketing for social good is increasingly becoming a part of most curriculums under the umbrella of different titles, such as social marketing, green marketing, and sustainability marketing. The relevance of these studies is increasing across the globe. This book is composed of long and short real cases with varying complexity in different sectors. This case book will also cover some review articles for an overview of the recent developments in the study area. With these case studies, collections of questions, teaching materials, and real-life marketing scenarios, this book offers a unique source of knowledge to marketing professionals, students, and educators across the world. The main objective of this case book is to understand the applicability of marketing science (marketing for social good context, such as social marketing and sustainability marketing) in internet marketing related to e-buying behavior and e-WOM. In addition, it illustrates the various types of existing marketing practices that are relevant from both theoretical and practical points of view in this electronic era, as well as discussing other non-electronic marketing practices and focusing on consumer buying behavior. As a result, marketing managers can treat their customers according to their desired value. This book particularly explores the possibilities and advantages created by social marketing and sustainability marketing through the presentation of thorough review articles and case studies. This case book helps corporate training centers and universities with compact teaching reference materials in their relevant courses.

Dr. George Washington Carver, Scientist Shirley Graham 1946

Douglas MacArthur Janet Bengé 2005 Under siege on the island of Corregidor, General Douglas MacArthur received a warning from the enemy. "You are well aware that you are doomed," the Japanese general wrote. "The end is near. The question is how long you will be able to resist. You are advised to surrender." Of course, there was no way Douglas was going to surrender. Whether masterminding strategy and fighting on the front lines to secure Allied victory in World War I and World War II or guiding war-torn nations to recovery in peacetime, five-star General Douglas MacArthur faced every challenge with unwavering courage and resolve. The general began his honored army career by leading his fellow cadets at West Point and ultimately commanded all U.S. forces in Asia. Remembered especially for directing the fight against Japanese expansion during WWII and later governing the defeated Japanese people with grace and wisdom, General MacArthur won the respect of millions, both allies and enemies. (1880-1964). Heroes of History is a unique biography series that brings the shaping of history to life with the remarkable true stories of fascinating men and women who changed the course of history. The stories of Heroes of History are told in an engaging narrative format, where related history, geography, government, and science topics come to life and make a lasting impression. This is a premier biography line for the entire family. Pages: 224 (paperback) Ages: 10+

Mahanayak 2019

Taai Medha Kirit 2022-07-15 An inspiring success story of a senior activist who has done justice for five years to the parliamentary affairs of the largest democratic country like India, the challenges facing the supreme leader of the Lok Sabha and the vast scope of power. Senior woman MP who was unanimously elected as the Speaker of Lok Sabha after becoming MP from Indore for eight times in a row. With her gentle nature and balanced demeanor, she made everyone her adorer and dear while conducting the business of the house smoothly. Internationally honoured by 'Mothers of Speakers'. A multi-dimensional graph of Padma Bhushan Sumitra Taai Mahajan's peak years as Lok Sabha Speaker.

Who was Shivaji? Govinda P?nasare 2015 Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas. Not Without My Daughter Betty Mahmoody 2004 'You are here for the rest of your life. Do you understand? You are not leaving Iran. You are here until you die.' Betty Mahmoody and her husband, Dr Sayyed Bozorg Mahmoody ('Moody'), came to Iran from the USA to meet Moody's family. With them was their four-year-old daughter, Mahtob. Appalled by the squalor of their living conditions, horrified by what she saw of a country where women are merely chattels and Westerners are despised, Betty soon became desperate to return to the States. But Moody, and his often vicious family, had other plans. Mother and daughter became prisoners of an alien culture, hostages of an increasingly tyrannical and violent man. Betty began to try to arrange an escape. Evading Moody's sinister spy network, she secretly met sympathisers opposed to Khomeini's savage regime. But every scheme that was suggested to her meant leaving Mahtob behind for ever... Eventually, Betty was given the name of a man who would plan their perilous route out of Iran, a journey that few women or children had ever made. Their nightmare attempt to return home began in a bewildering snowstorm...

Indira Gandhi Pupul Jayakar 1992-11-27 Indira Gandhi's Life Was Part Of The Unfolding History Of India, Intricately Woven With India's Past And Future. It (Became) Inevitable, Therefore, That Politics (Formed) A Backdrop To Her Public And Often Private Actions. Indira Gandhi's Life Spanned Over Two-Thirds Of A Century. By The Time Of Her Brutal Assassination In 1984, She Had Established Herself As The Most Significant Political Leader India Had Seen Since The Death Of Her Father, Jawaharlal Nehru. In This Book, Written With The Close Cooperation Of Her Subject, Pupul Jayakar Seeks To Uncover The Many Personalities That Lay Hidden Within Mrs Gandhi. Much More Than A Political Biography, The Book Reveals The Complex Personality Of Indira Gandhi-Her Thoughts And Feelings, Her Hates And Prejudices, Her Insights And Her Faults, Her Loves And Emotional Entanglements. Full Of Startling Insights, Indira Gandhi: A Biography Paints A Magnificent Portrait-At Once Empathetic And Unprejudiced-Of One Of The Twentieth Century's Most Remarkable Women.

Shala Milind Bokil 2019-01-25 Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafs about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtra town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

Idli Orchid And Will Power Vithal Kamat 2018-11-20 The story of an entrepreneur who moved from a single, family style restaurant, to create a chain known across India. But his passion for hospitality did not stop there. Vithal Kamat had a dream to make a five star hotel. He went on to make THE ORCHID, a five-star ecotel, which won numerous awards for being the world's best environmentally sensitive hotel. The Orchids multiplied and today stand as icons of hospitality. This is the story of what went into the making of this empire. This is an inspiring story of a man willing to face any odds for his dream, armed with determination, dedication and discipline. There are moments in our lives, where we feel like giving up on our vision and aspirations. This true life story of hotelier Vithal Kamat shows that all it takes to make it, is the belief in your dreams and the conviction to see them through.

The Science and Applications of Microbial Genomics Institute of Medicine 2013-05-02 Over the past several decades, new scientific tools and approaches for detecting microbial species have dramatically enhanced our appreciation of the diversity and abundance of the microbiota and its dynamic interactions with the environments within which these microorganisms reside. The first bacterial genome was sequenced in 1995 and took more than 13 months of work to complete. Today, a microorganism's entire genome can be sequenced in a few days. Much as our view of the cosmos was forever altered in the 17th century with the invention of the telescope, these genomic technologies, and the observations derived from them, have fundamentally transformed our appreciation of the microbial world around us. On June 12 and 13, 2012, the Institute of Medicine's (IOM's) Forum on Microbial Threats convened a public workshop in Washington, DC, to discuss the scientific tools and approaches being used for detecting and characterizing microbial species, and the roles of microbial genomics and metagenomics to better understand the culturable and unculturable microbial world around us. Through invited presentations and discussions, participants examined the use of microbial genomics to explore the diversity, evolution, and adaptation of microorganisms in a wide variety of environments; the molecular mechanisms of disease emergence and epidemiology; and the ways that genomic technologies are being applied to disease outbreak trace back and microbial surveillance. Points that were emphasized by many participants included the need to develop robust standardized sampling protocols, the importance of having the appropriate metadata, data analysis and data management challenges, and information sharing in real time. The Science and Applications of Microbial Genomics summarizes this workshop.

The Kalam Effect P M Nair 2013-01-09 A. P. J. Abdul Kalam became President of India in July 2002. He came to the highest office in the land with doubts being cast on the wisdom of appointing a non-politician, even if it was someone as distinguished as him (he is a recipient of the Bharat Ratna for his work on India's space and defence programmes), to the post. What followed, however, was a remarkable presidency that in the next five years transformed the way people looked at this office, and made Kalam popular in a way few politicians have been. Rashtrapati Bhavan became a much more accessible place in his time, and his enthusiasm for his favourite cause-a developed and strong India-infected all those who came in touch with him. While the reasons for his popularity will be analysed for a long time, P.M. Nair, who was his Secretary, shows through a series of vignettes in The Kalam Effect some of the probable causes. One of them being that Kalam is just a very special human being. P.M. Nair had a long and varied career in the IAS, which he joined in 1967. In July 2002 he was appointed Secretary to the President and continued in that position all through the five years of A.P.J. Abdul Kalam's tenure at Rashtrapati Bhavan.

Golda Elinor Burkett 2009-10-13 Golda Meir was the first female head of state in the Western world and one of the most influential women in modern history. A blend of Emma Goldman and Martin Luther King Jr. in the guise of a cookie-serving grandmother, her uncompromising devotion to shaping and defending a Jewish homeland against dogged enemies and skittish allies stunned political contemporaries and transformed Middle Eastern politics for decades to follow. She outmaneuvered Richard Nixon and Henry Kissinger at their own game of Realpolitik, and led Israel through a bloody war even as she eloquently pleaded for peace, carrying her nation through its most perilous hours while she herself battled cancer. In this masterful biography, critically acclaimed author Elinor Burkett paints a vivid portrait of a legendary woman defined by contradictions: an iron resolve coupled with magnetic charm, a kindly demeanor that disguised a stunning hard-heartedness, and a complete dedication to her country that often overwhelmed her personal relationships.
