As this Paul Joannides Guide To Getting It On, it ends taking place mammal one of the favored ebook Paul Joannides Guide To Getting It On collections that we have. This is why you remain in the best website to see the amazing book to have.

Asexualities Karli June Cerankowski 2014-03-14 What is so radical about not having sex? To answer this question, this collection of essays explores the feminist and queer politics of asexuality. Asexuality is predominantly understood as an orientation describing people who do not experience sexual attraction. In this multidisciplinary volume, the authors expand this definition of asexuality to account for the complexities of gender, race, disability, and medical discourse. Together, these essays challenge the ways in which we imagine gender and sexuality in relation to desire and sexual practice. Asexualities provides a critical reevaluation of even the most radical queer theorizations of sexuality. Going beyond a call for acceptance of asexuality as a legitimate and valid sexual orientation, the authors offer a critical examination of many of the most fundamental ways in which we categorize and index sexualities, desires, bodies, and practices. As the first book-length collection of critical essays ever produced on the topic of asexuality, this book serves as a foundational text in a growing field of study. It also aims to reshape the directions of feminist and queer studies, and to radically alter popular conceptions of sex and desire. Including units addressing theories of asexual orientation; the politics of asexuality; asexuality in media culture; masculinity and asexuality; health, disability, and medicalization; and asexual literary theory, Asexualities will be of interest to scholars and students in sexuality, gender, sociology, cultural studies, disability studies, and media culture.

The Ultimate Guide to Prostate Pleasure Charlie Glickman 2013-02-12 The first definitive guide to P-Spot pleasure will offer men erotic pleasure beyond what they imagined possible. Co-authored by one of the foremost experts on sexual health, Charlie Glickman, men who may not feel confident exploring anal play will be empowered to claim the prostate as an erogenous zone ripe for exploration. And men who already enjoy prostate play will find much to learn from this friendly, accessible how-to guide. The P-Spot covers tips and techniques for prostate play, as well as outlining important safety information and how to maintain prostate health.

Sexual Intelligence Marty Klein 2012-02-07 This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. "Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential." —Ian Kerner, best-selling author of *She Comes First*

Exploring Desire and Intimacy Gina Ogden 2016-09-13 This integrative book is like having a wise supervisor in the room with you. Stop "fixing" your clients—engage them in their own healing through the Four-Dimensional Wheel of Sexual Experience. Gina Ogden guides you in helping your clients explore the full range of their sexual issues and challenges—including couple communication, erectile dysfunction, vaginismus, low desire, affairs, trauma, religious proscriptions, pornography use, and more. Part I offers strategies that correspond to the core knowledge areas required for certification as a sexuality professional, while Part II puts these innovative approaches into action through following five case examples from seasoned practitioners. The numerous user-friendly elements, such as quizzes, worksheets, and "hot tips," will help you see the larger picture of an issue, become fluent with a diversity of sexual identities and behaviors, and expand your ability to offer safe, ethical, evidence-based therapy.

The Smart Girl's Guide to the G-Spot Violet Blue 2012-03-13 The G-spot, the powerhouse of female orgasm, is often veiled in mystery and confusion - many believing it to be nothing more than urban legend! With wit and panache, sex educator and bestselling writer Violet blue introduces readers to G-spot play. Beginning with an anatomical guide and incorporating suggestions for couple-play, positions, toys and safer sex, this guide will lead readers to thrilling new sensations and earth-shaking, bed-breaking, gale-force climaxes! Any girl can unleash her own orgasmic superpower with *The Smart Girl's Guide to the G-spot*.

Bonk: The Curious Coupling of Science and Sex Mary Roach 2009-04-06 A New York Times Bestseller "Rich in dexterous innuendo, laugh-out-loud humor and illuminating fact. It's compulsively readable." —Los Angeles Times Book Review In *Bonk*, the best-selling author of *Stiff* turns her outrageous curiosity and insight on the most alluring scientific subject of all: sex. Can a person think herself to orgasm? Why doesn't Viagra help women-or, for that matter, pandas? Can a dead man get an erection? Is vaginal orgasm a myth? Mary Roach shows us how and why sexual arousal and orgasm-two of the most complex, delightful, and amazing scientific phenomena on earth-can be so hard to achieve and what science is doing to make the bedroom a more satisfying place.

Guide to Getting it on Paul N. Joannides 2015-04-07 A fully revised and updated edition of the category leader. Includes two new chapters and 5 new illustrations.

Cockfidence Ma Celeste Hirschman 2011 Whether you are single, dating or in a relationship this book will show you how to attract sexual desire from women and bring them to the heights of their erotic and orgasmic potential. You will find your personal power, clarify who you are and what you want in your life, and have mind-blowing sex and passionate connections with women. This book will teach you to master your sexual function, control your ejaculation, and keep seduction and sensuality alive in long-term relationships. You will experience the power of having men admire you and women desire you and you will learn how to get the most out of every second of your sexual experience.

Guide to Getting It On Paul Joannides 2012-10-16 Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Guide to Getting it on Paul Joannides 2008-12-16 Featuring more than 15 illustrations and more than five chapters, this sex book includes pages that help to bring a smile, a blush of crimson, or a moment of awe.

The Better Sex Guide Nitya Lacroix 2005 A visually informative book for modern lovers with over 450 photographs * Physical and Emotional Aspects of Female and Male Sexuality Explored * The Importance of Self-Awareness in Good Sex * Sexual Techniques and Positions * Encouraging Sensuality Through Massage, Games and Exercises * Romance and the Art of Wooing Your Partner * Projecting a Positive Image Through Body Language and Dress * Overcoming Physical and Psychosexual Difficulties.

Sex Advice From... Nerve.com Editors 2006-04-20 Ever wondered if cowboys do it with their boots on? What music a record store clerk plays while going at it? What's really happening up there in the projection booth during the movie? *Sex Advice From...* bypasses the experts and hits the streets (and the farm, and the runway) for advice on the way we really do it. Featuring perfectly respectable photos of real people with interesting jobs and even more interesting sex lives this book collects interviews from more than 200 willing participants. Before sending their brave correspondents into the trenches, the editors at Nerve.com spent weeks locked inside the Nerve war room drawing up a comprehensive list of questions about all things sex: dirty talk, home movies, hygiene, foreplay, blowjobs, anal techniques, and threesomes, to name just a few. The correspondents then traveled far and wide in search of novel advice. They spoke to bloggers, tour guides, lifeguards, pool cleaners, sideshow performers, and ex-pats living all over the globe. The result? This chunky paperback chock-full of everything you ever wanted to know about sex but were too afraid to ask the salesman at your local car dealership.

THE ART OF SEDUCTION (PB) Seema Anand 2017

Woman Cancer Sex Anne Katz 2020-11-30 *Woman Cancer Sex*, Second Edition, is an accessible and comprehensive resource for women living with and surviving cancer as they navigate specific challenges related to sex and sexuality. Women who have survived cancer remain sexual beings despite the challenges of cancer treatment, and they often have nowhere to go with their questions and concerns. This text interweaves stories from clinical practice

with evidence-based tips and interventions for a range of physical and emotional side effects resulting from cancer and its treatment. Each chapter describes the experience of a woman with a particular kind of cancer and a variety of related problems, including loss of libido, physical pain, body image issues, depression, and struggles communicating with a partner and health care providers. Written by a leading voice in the field of cancer and sexuality, this book offers essential guidance surrounding questions about sexual health for women diagnosed with cancer. It will also be of use to health care providers including social workers and sex and couple therapists.

Enjoy Sex (How, When and If You Want To) Meg-John Barker 2017-01-05 Plenty of books on sex suggest that it has to be done in a certain way, or in a certain kind of relationship, or with certain people. This isn't that kind of book. **Enjoy Sex** is a truly practical, friendly guide through the confusing, and sometimes alarming, world of sex and sexuality. Its radical approach puts your experience at the heart of the book, and invites you to explore what might be enjoyable to you. With the authors' engaging and thoughtful style, the book challenges the messages we receive about 'normal' sex, looks at how to understand and care for yourself, delves into ideas of pleasure for different bodies, ages and tastes, explores relationships, and tackles the tricky topics of communication and consent. So, throw out the rule book and learn to listen to your own desires. This may just be the most helpful book about sex ever.

Guide to Getting It on Paul Joannides 2021-09-07 Proudly Announcing the 10th Edition of the **GUIDE TO GETTING IT ON** Few people had heard of Bumble and Hinge when the last edition of the "Guide To Getting It On" went to press four years ago. No one in their right mind would have guessed that Chaturbate would become the 28th most popular website in the US, or that women in college would pay for their tuition by selling pics on a website called OnlyFans. And good luck to any guy who calls a woman to ask her for a date instead of texting, because she'll probably think he's a stalker. Anyone who says "Why would we need a new edition of a book on sex?" needs to throw away their flip phone and wake up. Each new edition of the "Guide to Getting It On" has risen to the challenge of helping young adults negotiate an ever changing landscape of sex and relationships, and the new 10th edition is no different. Today's young adults are the first generation who began watching the most explicit porn in history on their phones in Middle School. They have very different expectations and needs from a book on sex today than when the first edition of 'The Guide' was published more than twenty-five years ago and was praised as one of the best books on sex ever written. At a time when YouTube has become the source of all wisdom, the 10th edition of the "Guide To Getting It On" remains the one book on sex that people still want to buy, read and share with a partner. And for readers who value videos, several chapters of the 10th edition have links to videos that were made to go with the book.

Sex Matters for Women Sallie Foley 2011-12-13 A guide to help women understand how their bodies work and to take charge of their sexuality, discussing anatomy, body image, trauma, overcoming difficulties, and related topics.

We Are Our Brains D. F. Swaab 2014-01-07 A vivid account of what makes us human. Based groundbreaking new research, **We Are Our Brains** is a sweeping biography of the human brain, from infancy to adulthood to old age. Renowned neuroscientist D. F. Swaab takes us on a guided tour of the intricate inner workings that determine our potential, our limitations, and our desires, with each chapter serving as an eye-opening window on a different stage of brain development: the gender differences that develop in the embryonic brain, what goes on in the heads of adolescents, how parenthood permanently changes the brain. Moving beyond pure biological understanding, Swaab presents a controversial and multilayered ethical argument surrounding the brain. Far from possessing true free will, Swaab argues, we have very little control over our everyday decisions, or who we will become, because our brains predetermine everything about us, long before we are born, from our moral character to our religious leanings to whom we fall in love with. And he challenges many of our prevailing assumptions about what makes us human, decoding the intricate "moral networks" that allow us to experience emotion, revealing maternal instinct to be the result of hormonal changes in the pregnant brain, and exploring the way that religious "imprinting" shapes the brain during childhood. Rife with memorable case studies, **We Are Our Brains** is already a bestselling international phenomenon. It aims to demystify the chemical and genetic workings of our most mysterious organ, in the process helping us to see who we are through an entirely new lens. Did you know? • The father's brain is affected in pregnancy as well as the mother's. • The withdrawal symptoms we experience at the end of a love affair mirror chemical addiction. • Growing up bilingual reduces the likelihood of Alzheimer's. • Parental religion is imprinted on our brains during early development, much as our native language is. Praise for **We Are Our Brains** "Swaab's 'neurobiography' is witty, opinionated, passionate, and, above all, cerebral."—Booklist (starred review) "A fascinating survey . . . Swaab employs both personal and scientific observation in near-equal measure."—Publishers Weekly (starred review) "A cogent, provocative account of how twenty-first-century 'neuroculture' has the potential to effect profound medical and social change."—Kirkus Reviews

Titian to 1518 Paul Joannides 2001-01-01 The work that Titian produced during the first decade of his career is beautiful and varied, but it has raised many questions of attribution and chronology. This book - the first thorough and coherent account of this period in Titian's life - reconstructs what he painted, when he painted it and what these paintings mean. Paul Joannides begins by discussing the probable course of Titian's early career and his relationship to the Bellinis. There are individual excursions on Giorgione and on Sebastiano del Piombo whose work has often been confused with his. Joannides then offers new interpretations of some of Titian's paintings, emphasising their poetic and dramatic qualities. Among other topics, he associates for the first time the paintings in Saint Petersburg, Venice and Houston; lays out Titian's part of the Fondaco; connects the privately owned Resurrected Christ with the Fogg Circumcision; integrates the Dresden Venus and the Berlin Portrait into Titian's work; and establishes the dynamism and inventiveness of the great Assunta of 1516-18. Joannides provides detailed arguments in support of both new and familiar attributions, proposes a more closely reasoned and precise chronology

Come as You Are Emily Nagoski 2015-04-09 A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. **Come as You Are** reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee . . . "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent **Guide to Getting It On!** Paul Joannides 2006 This guide replaces taboos with techniques and provides safe, practical advice for improving your sexual relationships. It all comes down to communication and this is one book that has no problem with telling it how it is.

An Intersectional Approach to Sex Therapy Reece M. Malone 2021-12-21 When a Black, Indigenous, or racialized individual or relationship works with a sex therapist, a host of cultural circumstances can contribute to intimacy discord and sexual dysfunction. This collection brings together clinicians and educators who share their approaches, bridging sex therapy with a client's relationship to their racial, cultural, and ethnic identity. This essential book aims to enhance therapists' supervisory practices and clinical treatments when working with culturally diverse and marginalized populations, fostering greater understanding and awareness. Innovative tools that integrate the impacts of acculturation, minority status, intersectionality, and minority stress are discussed, with case studies, demonstrations, and critical questions included. This collection is a necessary read for anyone who is training to be or who is an established sex therapist, marriage and family therapist, relationship counselor, or sexuality educator and consultant.

The Ultimate Guide to Orgasm for Women Mikaya Heart 2011-08-15 Owning our desires should be neither embarrassing nor uncomfortable. Nor should they be subject to anyone else's moral judgment of what is right or wrong, good or bad, normal or abnormal. Combining communication and information is the key. By shrugging off the taboos against talking about our preferences and experiences when we're being sexual, we will take the first and most important steps toward ensuring our own fulfillment. The **Ultimate Guide to Orgasm for Women** is an unflinchingly honest, responsible, and thoroughly comprehensive exploration of female sexuality. Topics include: The physical types of orgasm, such as electrical, flying, pounding, deep, waves, and blips; orgasm as an emotional release; the "elusive orgasm" and why some women have difficulty having one; how often we fake them and why; masturbation; multiple orgasms; the male-female dichotomy; penetration and the G-spot; defining the erotic; and the joy of sex toys.

Men's Sexual Health Barry W. McCarthy 2017-10-03 **Men's Sexual Health** is a breakthrough book about vital and satisfying male sexuality. It presents a new model of male and couple sexuality, which establishes positive, realistic expectations of pleasure and satisfaction, as opposed to the self-defeating traditional demand for perfect intercourse performance. Men and couples who adopt this approach will enjoy sexuality throughout the lifespan. The authors introduce the new "smart thinking," focused on an integration of mind and body, which confronts the myths and misunderstandings which limit male sexual growth. The book will help men and women understand how to pursue sexual

and relational health, overcome sexual problems, with the goal of greater acceptance and satisfaction. The book advocates for positive, realistic Good-Enough Sex which will significantly enhance male and couple sexual satisfaction. Women, Sex, Power, And Pleasure Evelyn Resh, CNM/MPH 2013-03-01 In her new book, Women, Sex, Power & Pleasure, Evelyn Resh, a sexuality counselor and certified nurse-midwife, takes an innovative approach to helping women create the lives – and sex lives – they want. With a funny and compassionate, yet tell-it-like-it-is style, she looks at the relationship between feeling powerful in life and accessing life's pleasures, and their combined effect on sexual desire. Resh introduces six essential qualities that women must have to live healthfully, stating that when these are out of balance women seem to exist in lives devoid of pleasure, self-empowerment, and sex. These markers of emotional well-being are: • Self-confidence and self-esteem • Healthy Habits • Spiritual Satisfaction • Creativity • Self-assurance/re-assurance • Compassion and Empathy Once the six traits are laid out, Resh devotes the rest of the book to exploring how, when one or more of a woman's markers of emotional well-being are off kilter, their reasons for avoiding sex mount exponentially. She looks at some of the most common excuses she's heard over her many years as a sexuality counselor – I Feel Nothing, It's All He Thinks About, I'm Too Busy!, I'm Too Fat to Have Sex – and outlines the specific imbalances that create this void of sexual desire and activity. With practical guidance, self-assessment questions, and stories from her practice and personal life, Resh explains to modern women how to regain their emotional wellness and live a powerful life that includes a steady relationship with pleasure and sexual satisfaction. This book is a must read for all women. From housewives to sophisticated urban corporate types, from new moms to post-menopausal women – this book will help any woman who feels estranged from her sexual energy and a sense of empowerment, and deprived of pleasure, or who views sex as just another thing to tick off her overwhelming to-do list.

Guide to Getting It on Paul Joannides, Psy.D 2017-01-07 From the author: I originally wrote this book for people who wanted to have better sex. But then it started winning awards and being used in college sex-ed courses. So I tried to make the book all things to all people, and it started to grow, and grow, and grow. But with this new edition, I've taken the Guide To Getting It On back to its roots. It is 576 pages, which is half the page count of the previous edition, and it is almost \$10 cheaper, at \$19.95. This edition is about you, assuming you are looking for a book that is down to earth, fun to read, and is your best ally when it comes to having really good sex." the joy of sex 1972

She Comes First Ian Kerner 2019-10-10 Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Wanting Sex Again Laurie J. Watson 2012 Offers strategies for women with low libidos to help overcome the emotional, physical, and mental obstacles that are affecting passion and intimacy in their marriages.

Guide to Getting it on Paul Joannides 2009

Sex Points Dr. Bat Sheva Marcus 2021-03-09 In this refreshingly honest book, the "Queen of Vibrators" and the "Orthodox Sex Guru" shares her easy, proven system to help women have a healthy, robust sex life. Myth: Great sex comes naturally, and when it doesn't, there is something wrong. Fact: Sex is a gift that takes work. Like exercise or eating right, it also takes practice and know-how. "Queen of Vibrators" Dr. Bat Sheva Marcus believes a healthy, robust, fulfilling sex life is a right for all women. And after twenty years as a sex therapist, Dr. Bat Sheva knows that there's more to sex than lingerie and beach vacations. Sex Points is the first book that helps you identify and analyze for yourself what factors are affecting your sex life. Using Dr. Bat Sheva's revolutionary Sex Points Assessment, you can pinpoint what's keeping you from the great sex you deserve by looking at where you're scoring low in four key areas: pain, arousal, libido, and orgasm. And then she'll help you get points back in each of those areas! Your sex life is complex, unique to you, and affected by psychological, medical, and emotional variables. If you think that a diminished sex drive is natural, pain is expected, and no orgasms is no problem—prepare to have your world rocked. Covering everything from how to choose a vibrator to recapturing orgasms, understanding hormones, to rekindling lust, embracing taboo fantasies, and parsing complicated relationships, to what sex really means (hint: it's not just intercourse), Sex Points is a comprehensive, revelatory, I-didn't-know-it-could-be-this-good guide for every woman, at every age, in every situation. A Fun, Healthy, Fulfilling Sex Life is Your Right! And Sex Points will get you there.

It's Called a Breakup Because It's Broken Greg Behrendt 2006 A humorous but helpful handbook offers survival strategies for women who are getting over Mr. Wrong and struggling to rebuild their lives, covering everything from ending a relationship permanently to finding a brighter romantic future.

The Guide to Getting it On! Paul Joannides 1996 Thorough, frank, humorous, and accessible, with candid illustrations throughout, this book starts where most books on sex leave off. Based on years of research and ideas contributed by a variety of people, including doctors, social workers, psychologists, surfers, priests and a prostitute, this is the thinking person's sex book.

Guide to Getting it On! Paul Joannides 2000 Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

The Secret Lives of Teen Girls Evelyn Resh 2011-02 In The Secret Lives of Teen Girls, Evelyn Resh, the mother of a teenage daughter and a certified nurse-midwife specializing in the treatment of teenage girls, explores the mysterious world of female, adolescent sexuality and how parents-especially mothers-can help their daughters through this tumultuous time. Secrets divulged by teenage girls during consultation have made Resh realize that, with rare exception, most adolescents are left to develop a sexual identity without any adult guidance and often without the most basic knowledge of what is happening to them physically and emotionally. She also realized that many girls are frequently subject to criticism and shaming about their normal, adolescent behavior. Resh believes these issues are what underlie many of the problems teens face during this crucial step into becoming a fully developed adult woman capable of making good, sound, safe, and independent decisions throughout life. Through compelling, frank, and sometimes humorous stories from both Resh and her patients, The Secret Lives of Teenage Girls explains to parents just what is going on with their teenage daughters during this essential phase of their development. She discusses many of the complicated problems she's seen in practice, including not just sexual activity but also eating disorders, substance abuse, mental illness, unplanned pregnancies, violence, and STDs. She also looks at less serious but still troubling issues like under-achievement, battles with parents, and lack of emotional and social support. In this insightful book, Resh provides parents with the tools to help their teen daughters negotiate the waters of their sexual development and emerge with their strength, their sexuality, and their self image intact.

Becoming Cliterate Dr. Laurie Mintz 2018-05-15 We've been thinking about sex all wrong. Mainstream media, movies, and porn have taught us that sex = penis + vagina, and everything else is just secondary. Standard penetration is how men most reliably achieve orgasm. The problem is, women don't orgasm this way. We've separated our most reliable route to orgasm—clitoral stimulation—from how we feel we should orgasm—penetration. As a result, we've created a pleasure gap between women and men: 50% of 18-35-year-old women say they have trouble reaching orgasm with a partner 64% of women vs 91% of men said they had an orgasm at their last sexual encounter 55% of men vs. 4% of women say they usually reach orgasm during first-time hookup sex In Becoming Cliterate, psychology professor and human sexuality expert Dr. Laurie Mintz exposes the broader cultural problem that's perpetuating this gap, and what we can do about it. Pulling together evidence from biology, sociology, linguistics, and sex therapy into one comprehensive, accessible, and prescriptive book, Becoming Cliterate features: Cultural & historical analysis of female orgasm (spoiler: the problem's been going on for ages) An anatomy section (it's all custom under the hood) Proven techniques for cliterate sex (it starts with training the sex organ between your ears) A comprehensive final chapter for men (because you don't have to have a clitoris to be cliterate) By dispelling the lies, misunderstandings, and myths that have been holding us back, Becoming Cliterate tackles both personal and political problems and replaces them with updated outlooks and practical skills needed to change our collective perspective on sex. It's time to finally inform women and men on how to have satisfying experiences in bed that benefit both parties. The revolution is coming—and Becoming Cliterate offers a radical, simple solution to progress and pleasure for all.

Just Watch Me Violet Blue 2010-09-14 A sassy selection of the very best erotica for women, by women, judiciously hand-picked by Violet Blue from the Best Women's Erotica series (Cleis Press - available from Turnaround). Blue, who is quickly becoming the 21st century's leading sex educator, recommends it to be read nice and slowly, to give readers a chance to savour every deliciously outrageous scenario evoked. Intended as an inspiration for bedroom adventures, her heady collection is filled to the brim with hair-raising, relatable encounters.

The Sex You Want Marcia Douglass 2003-01-02 So many women are dissatisfied with their sexual relationships—even all these years after the "sexual revolution"—but what is it that women really want? In The Sex You Want, authors Lisa and Marcia Douglass answer this age-old question and much more, touching on subjects that include: how women's sexuality is influenced by societal forces; how women can fall into unhealthy sexual patterns; and how

the way we talk about or censor discussions on sex affects our everyday practices, and offer ways to reverse the damaging consequences. With a detailed description of the female anatomy and a section on how to achieve the utmost in orgasmic pleasure, *The Sex You Want* will help women take control of their sexuality in ways that will not only change how they relate to their bodies, but how they live in the world. This new paperback version is illustrated and comes with a revised introduction. "A smart, new sex guide.... A step toward helping women own and appreciate their bodies."—Glamour

Pucker Up Tristan Taormino 2001-09-04 A frank and witty tour of modern sexuality from a knowing young "sexpert" who's seen -- and done -- it all. From her popular columns and website to her videos and lecture series, Tristan Taormino has garnered raves for her unabashed straight talk about sex. Now, for the first time in book form, she imparts wisdom gleaned from years of adventurous and informative sexual anthropology. As a sex educator, Tristan has listened to thousands of people's most intimate questions. In *Pucker Up*, she responds to those queries -- no matter how taboo -- giving honest, useful advice that doesn't shy away from sensitive topics. All the basics are covered here, but Tristan also tackles such topics as strap-ons, female ejaculation, the latest sex toys, erotica and how it can improve your love life, and new strategies for hitting that elusive G-spot. *Pucker Up* is quite simply an indispensable book for anyone looking for healthy, adventuresome, mind-blowing sex.

Sex Em & Lo 2009-11-01 In a totally fresh and appealing take on the subject, *SEX* is a completely new kind of sex book. This is a sex book for people who like having sex, who want to have more, and want to know how to do everything better. Unlike other sex manuals, which try to solve problems with sex, this is a book for people who love sex and want to expand their horizons. Written by the young, hip "super-sexpert" duo Em and Lo of nerve.com notoriety, this book is as witty and cool as it is instructive. This fun and energetic romp has over 300 explicit and authentic, but beautiful, "live" shots by renowned fashion and portrait photographer, Rankin.
