Ashes Ilsa J. Bick 2011-09-01 An electromagnetic pulse flashes across the sky, destroying every electronic device, wiping out every computerized system, and killing billions. When it happens, Alex was hiking in the woods to say good-bye to her dead parents and her personal demons. Now desperate to find out what happened after the pulse crushes her to the ground, Alex meets up with Tom—a young soldier—and Ellie, a girl whose grandfather was killed by the EMP. For this improvised family and the others who are spared, it's now a question of who can be trusted and who is no longer human. Author Ilsa J. Bick crafts a terrifying and thrilling novel about a world that could be ours at any moment, where those left standing must learn what it means not just to survive, but to live amidst the devastation.

World War Z Max Brooks 2006 An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival, in a novel that is the basis for the June 2013 film starring Brad Pitt. Reissue. Movie Tie-In.

Life as We Knew it Susan Beth Pfeffer 2008 Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

Emp Bobby Akart 2016-01-16 I know not with what weapons World War III will be fought, but World War IV will be fought with sticks and stones. ~ Albert Einstein From the bestselling author of CYBER WARFARE, Bobby Akart brings a poignant analysis of the threats our nation faces from a devastating Electromagnetic Pulse attack with: EMP: A threat from above to America's soft underbelly below. The clock is ticking. One second after. One year after. In poll after poll, one of the threats facing our nation is the use of an electromagnetic pulse weapon to cause a collapse of our critical infrastructure. There are many bad actors on the international stage capable of terrorism on a massive scale.

The list is long, including Russia, China, North Korea, Iran, Syria and now even terrorist groups like ISIS. Each is capable of wreaking havoc in the US by shutting down our power grid and enjoying the resulting chaos. EMP is a primer on the threats we face as a nation from the rogue nations mentioned above. It explores the history of the electromagnetic pulse technology, and discusses its use for both military and non-military purposes. The clock is ticking.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Nuclear Winter Armageddon Bobby Akart 2021-03-20 For decades, Nuclear Armageddon hanged over us like a mighty sword. Some said it would be the war to end all wars. They were wrong. The real battle against extinction was just beginning. International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide. "Masterful and suspenseful!" This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past. Nobody was prepared, including the world's governments. Yet the threat was always real and the devastation was predictable. "Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!" The damage was incalculable. Millions died at the points of impact. Nuclear Winter spread across the globe. A rapidly cooling climate shocked humanity and all living things ... to their death. Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price. "I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written." This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys. While they fight for survival, they trek across a rapidly deteriorating landscape

wrought with danger from both the elements and their fellow man. It was not our fight, but it became our problem. "I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R." Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Edge of Valor Kyla Stone 2021-03-28

All That Survives Jack Hunt 2019-08-29 Four months after an EMP brought the power grid down, Landon Gray and Beth 'Bluebird' Sullivan scrambling to survive. With no power, no internet, no phones, no transportation, and over a thousand miles from his home in Castine, Maine, they set off on a perilous journey using the Appalachian Trail. But as chaos forces the worst of society into their path, they must fight to survive.

Edge of Collapse Kyla Stone 2020-10-31 In the dead of winter, a super EMP destroys the nation's power grid. No electricity. No cars or phones. Worst of all: No heat. The country is plunged into instant chaos. But for twenty-six-year-old Hannah Sheridan, it's the best day of her life. For the last five years, she's been held captive by a sadistic psychopath--until the EMP releases the lock of her prison. Hannah emerges from her underground cell into a hostile winter landscape with no way to call for help, no vehicle that will drive, armed with nothing but the clothes on her back and her own determination to survive. Liam Coleman, cynical loner and former soldier, is headed nowhere fast. He believed he was prepared for any disaster--until the EMP took everything he'd ever cared about in a matter of seconds. When he runs across a desperate woman who will die without his help, he's forced to make a choice. Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the lack of power, desperate people, and the treacherous elements aren't the only threats. Hannah's captor isn't about to let her go. He will hunt her to the ends of the earth and beyond, destroying anything and anyone who gets in his way. For she has something he wants--she's nine months pregnant with his child. Edge of Collapse is a gripping post-apocalyptic EMP thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Boyd Craven.

Nuclear Winter First Strike Bobby Akart 2021-02-11 Nuclear war may kill millions. Nuclear Winter will kill billions. International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide. "Love the intensity of his stories, his thorough research, his creativity, the characterizations and the abundant action and realistic locations." Every war begins with a first shot. The shot heard 'round the world at Lexington and Concord in 1775 birthed a nation. Less than a century later, cannons firing on Fort Sumter, South Carolina thrust that same nation into a civil war. The assassination of an obscure archduke

sparked a chain of events leading to World War I. The dastardly bombing of Pearl Harbor led America into the Second World War. "Bobby Akart is the master of nail biting, edge of your seat fiction based on fact." Akart's new novel, Nuclear Winter First Strike, depicts a world on the edge of nuclear Armageddon. Will history repeat itself as warring nations take their battles to the highest level of destruction? Can America avoid being drawn into these conflicts beyond her borders? Nuclear Armageddon hangs over us like a mighty sword and ordinary Americans will be caught in the crosshairs. "From the first word read to the last page turned, I knew Bobby Akart had a brilliant, engaging, horrifying tale to be told." This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys. Hank Albright, a widower and proprietor of the Driftwood Key Inn, is the epitome of the laid-back islander inhabiting the Keys. His brother, Mike, is a homicide detective for the Monroe County Sheriff's department. Along with his wife Jessica, a paramedic and member of the Sheriff's department water emergency team, they become involved in the investigation of a sadistic serial killer. Hank's son, Peter Albright, is a Washington, DC reporter covering the State Department. He's unknowingly thrust into the middle of the conflict in the Middle East. Upon his return home, he begins to unravel a conspiracy leading to an unexpected dynamic between the President, the Secretary of State, and North Korea. As the drumbeats of war beat louder, Hank's oldest child, Lacey McDowell, begins to sense the warning signs. Along with her husband, Owen, and teenage son, Tucker, she begins to prepare for a hasty exit from their San Francisco Bay Area home. "Believable and relatable characters are developed in such a spell-binding way that you must keep turning the pages." Will America become embroiled in the nuclear conflict? Will the President cross the Rubicon, that point of no return after which lives and cities may be destroyed? For the Albrights, like their fellow Americans, their lives are about to change forever. It was not our fight, but it became our problem. "You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book." Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

36 Hours Bobby Akart 2019-03-26 WHAT WOULD YOU DO if a voice was screaming in your head - GET READY . . . for a catastrophic event of epic proportions . . . with no idea where to start . . . or how, or when? This is a true story, it just hasn't happened yet.

The Ranch Sean Liscom 2019-07-04 Jason Sterling had a simple life by all accounts. He had worked the same job his entire adult life, he had never

married and he had no children. His father's death set events in motion too great to walk away from. When an Electromagnetic Pulse brings the modern world to its knees, Jason's choice proves to be the right one.

The Long Road G. Michael Hopf 2013-10-30 The End was just the beginning of the new world... Only six weeks have passed since a super-EMP attack devastated the United States, but already, life has changed dramatically. Most of America has become a wasteland filled with starving bands of people, mobs and gangs. Millions are dead and millions more are suffering, with no end in sight. For Gordon, Samantha, Sebastian, Cruz and Barone, the turmoil and chaos they dealt with in the early weeks after the attack will seem trivial in comparison to the collapse of society that plays out before their eyes.

Uncertainty abounds as they all travel different paths in search of a safe place to call home. The only thing that is definite is that The Long Road will take its toll on all of them. For readers of *Going Home* by A. American, *Lights Out* by David Crawford, *Lucifer's Hammer* by Jerry Pournelle and *One Second After* by William Forstchen

Chaos Comes Harley Tate 2017-08 Two weeks into the apocalypse, would your switch be flipped? Colt isn't a family man. As an air marshal, he doesn't have time for commitment. When his plane emergency lands outside of Eugene, Oregon, he knows it's the beginning of the end. When he sets off on his own, he's ready to face the future alone. Rescuing a kid isn't part of his plan. When you have nothing left, can you find the will to survive? Dani's only fifteen, but she's no stranger to hardship. When the pangs of hunger drive her to the brink, Dani makes the difficult choice to steal. She knows she might get caught. She never expects a stranger to save her. The end of the world brings out the best and worst in all of us. Colt and Dani will have to fight to survive in this post-apocalyptic world. Joining forces isn't part of the plan, but desperate times call for desperate measures. With danger around every corner, will they find the strength to trust each other? Or will the past ruin any chance of seeing the future? The EMP is only the beginning. *Chaos Comes* is book four in the *After the EMP* series, a post-apocalyptic thriller series following ordinary people trying to survive after a geomagnetic storm destroys the nation's power grid. Although *Chaos Comes* follows the chronological events of *After the EMP* series, it is book one in a new trilogy featuring new characters. It can be read first.

Chaos Begins (EMP Collapse Book One) Christine Kersey 2021-08-18 Getting home has never been so treacherous When an EMP takes down the power grid and everything that runs on a computer chip, Melissa has no choice but to walk from her office in downtown Salt Lake City to her home in a suburb fifteen miles south. With a few co-workers to keep her company, she isn't too worried-until they begin their journey and discover how quickly society can fall apart.

Alex, Melissa's husband, works thirty blocks south of Melissa's office. When everything stops working he has to decide whether to head north and find Melissa or go in the opposite direction to see if their teenaged children made it home. Only trouble is, he's by himself and danger is everywhere.

Patriot's Farewell Bobby Akart 2019-03-21 In politics, nothing happens by accident. If it happens, you can bet it was planned that way. FDR International best selling thriller author, Bobby Akart, returns to the Boston Brahmin series with page-turning action and timely political intrigue seemingly ripped from today's current events in PATRIOT'S FAREWELL, a Boston Brahmin political thriller. After a devastating cyber attack brought America to its knees, a reluctant hero emerged - a humble professor whose lineage dated back to the American Revolution. Responding to the battle cry, CHOOSE FREEDOM, patriotic Americans rallied around their new president, Henry Winthrop Sarge IV - Sarge to his friends. As his administration worked to rebuild the nation, Sarge called upon his closest friends, the Loyal Nine, to use their skills and resources to assist him. The nation, except for four states which seceded after the collapse, stood behind Sarge and his administration during his first term which focused on rebuilding the country. But as his second term in office comes to an end, the nation is still divided and the drumbeats of war can be heard from the other side of the world. The Boston Brahmin, a shadowy group of wealthy and politically connected financiers whose roots date back to the Sons of Liberty, still look to Sarge as their leader, but storm clouds are brewing and Sarge will find himself in the crosshairs of a power struggle. Can Sarge bring a divided nation together before he leaves office? Can a rebuilding military face off against a major superpower? Will Sarge survive a betrayal from within The Boston Brahmin? Filled with non-stop action and political intrigue, Bobby Akart's return to the Boston Brahmin series with PATRIOT'S FAREWELL promises a fast-paced thrill ride which will leave you burning through the pages. Author's Note: Patriot's Farewell does not contain strong language. It is intended to entertain and inform audiences of all ages, including teen and young adults. New Madrid Earthquake Bobby Akart 2020-11-13 In the not too distant past, along the Mississippi River, North America tried to tear itself in half. It failed. It won't the second time. New Madrid. A standalone disaster thriller from international bestselling author, Bobby Akart, one of America's favorite storytellers, who has delivered up-all-night thrillers to readers in 245 countries and territories worldwide. "Akart is a master of suspense, keeping us on the edge of our seats. But, he does it with fact-based fiction that would scare even the most hardened readers." Two hundred years ago, several faults within the New Madrid seismic zone along the Mississippi River ruptured triggering some of the largest earthquakes in American history. The three massive quakes ripped open America's Heartland, shaking residents as far away as New York City and Washington, DC while ringing church bells in Boston and Charleston, South Carolina. "No one can research like Bobby Akart and then turn this meticulous research into one exciting thrill ride." Akart's standalone novel, *New Madrid*, is based on actual events. It just hasn't happened yet, until now. 200 years later after the historic quake sequence of 1811-12, it's reawakened. "This is a story of fortitude and love for family - do you have what it takes to survive and make it back to your loved ones." The New Madrid fault zone, six times larger than the San Andreas in California, has generated a series of massive earthquakes thrusting the Atwood and Chandler families in a fight to survive. Attorney Jack Atwood and his brother-in-law Tony Chandler are winding up their year-end tax planning presentation atop The Met, a skyscraper in St. Louis, before returning to Memphis for their family's Christmas celebration. Jill Atwood, her daughter Emily and teenage son Tate, are in a downtown Memphis performing arts theater attending the dress rehearsal for Emily's Christmas pageant. Beth Chandler, 28 weeks pregnant, together with her 3-year old autistic son, are traveling from Louisiana to join the rest of the family in Memphis. Will they arrive for Christmas? Will they arrive at all? Their lives are about to change forever. "You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book." Bobby Akart has delivered intense, up-all-night thrillers causing you to whisper just one more chapter until the end.

Pushing On Ryan Westfield 2017-12-09 What would you do to survive? Weeks after the EMP, society is collapsing. Food is scarce and violence prevails. Surviving has never been harder. Max's group is heading west, trying to find a home away from the chaos. They'll need more supplies for their trip, so they go scavenging in a seemingly-abandoned town. But is Albion really as safe as it seems? Chad thought he had it together. He'd been pulling his own weight.

But the stress is getting to him. Does he have the strength to resist a path back to his old habits? One wrong move and he could put everyone's life in danger. Holed up in the farmhouse, John and Cynthia try to figure out their next move. The militia is closing in. Each passing minute means more danger. But where else can they go? Pushing On is book 3 of The EMP, a post-apocalyptic survival thriller series. It deals with real people fighting for their survival every inch of the way.

Texas Strong Bobby Akart 2018-04-07 Texas Free! Texas Strong! A battle cry rallied a new nation. But a storm is brewing which could challenge the Texans' way of life. A warning is issued ... you better leave well enough alone because you don't know nothin' about Texas Strong. The Lone Star Series continues with Texas Strong, book four in Author Bobby Akart's latest post-apocalyptic thriller fiction series. Nuclear armageddon struck the United States and Texas received a glancing blow. The Armstrong family is reunited and now they must turn their attention to the threats which exist all around them. Through prudent planning, Texas protected its power grid from the impact of the devastating electromagnetic pulse attack, but was it enough? The new nation is but an island surrounded by chaos and devastation. Food is running out for its nearly thirty million citizens while millions of refugees press against the borderfencing erected to keep them out. The pressure is on and an unexpected catalyst is about to create havoc for all Texans, including the Armstrong Ranch. The Lone Star Series is a thought-provoking, gut-wrenching look into a post apocalyptic country devastated by nuclear destruction. Would you be ready to make the tough decisions to protect your family and survive? AUTHOR'S NOTE REGARDING PG-13 RATING The Lone Star Series does not contain strong language. It is intended to entertain and inform audiences of all ages, including teen and young adults. Although some scenes depict the realistic threat our nation faces from an EMP attack and nuclear destruction, and the societal collapse which will result in the aftermath, it does not contain graphic scenes typical of other books in the post-apocalyptic genre. I believe more of our young people need to lead a preparedness lifestyle. Studies show that our millennials do not have any of the basic survival skills. By writing this series free of vulgarities and gratuitous sexual innuendo, I've intended it to be suitable for everyone. Thanks. BOOKS IN THE LONE STAR SERIES AXIS OF EVIL - Available now. Down to Earth Bruno Latour 2018-11-26 The present ecological mutation has organized the whole political landscape for the last thirty years. This could explain the deadly cocktail of exploding inequalities, massive deregulation, and

conversion of the dream of globalization into a nightmare for most people. What holds these three phenomena together is the conviction, shared by some powerful people, that the ecological threat is real and that the only way for them to survive is to abandon any pretense at sharing a common future with the rest of the world. Hence their flight offshore and their massive investment in climate change denial. The Left has been slow to turn its attention to this new situation. It is still organized along an axis that goes from investment in local values to the hope of globalization and just at the time when, everywhere, people dissatisfied with the ideal of modernity are turning back to the protection of national or even ethnic borders. This is why it is urgent to shift sideways and to define politics as what leads toward the Earth and not toward the global or the national. Belonging to a territory is the phenomenon most in need of rethinking and careful redescription; learning new ways to inhabit the Earth is our biggest challenge. Bringing us down to earth is the task of politics today.

One Second After William R. Forstchen 2011-04-26 A post-apocalyptic thriller of the after effects in the United States after a terrifying terrorist attack using electromagnetic pulse weapons. New York Times best selling author William R. Forstchen now brings us a story which can be all too terrifyingly real...a story in which one man struggles to save his family and his small North Carolina town after America loses a war, in one second, a war that will send America back to the Dark Ages...A war based upon a weapon, an Electro Magnetic Pulse (EMP). A weapon that may already be in the hands of our enemies. Months before publication, One Second After has already been cited on the floor of Congress as a book all Americans should read, a book already being discussed in the corridors of the Pentagon as a truly realistic look at a weapon and its awesome power to destroy the entire United States, literally within one second. It is a weapon that the Wall Street Journal warns could shatter America. In the tradition of On the Beach, Fail Safe and Testament, this book, set in a typical American town, is a dire warning of what might be our future...and our end. The John Matherson Series #1 One Second After #2 One Year After #3 The Final Day Other Books Pillar to the Sky 48 Hours At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Point of Impact Kyla Stone 2018-12-24 Surviving the blast is only the beginning; Dakota Sloane, a tough-as-nails former foster kid, has spent her life running from the past. The War of the Worlds H. G. Wells 2017-01-01 When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a

classic of English literature.

Doomsday Apocalypse Bobby Akart 2018-11-08 "It was New Year's Eve. As the ball dropped in Times Square, Americans were preparing for a new year and a bright future. Instead they found themselves fighting for their lives as the fuse had been lit that sent the country into chaos. With political rancor at an all-time high, the war of words escalated, and a political war erupted. Americans were caught in the crosshairs of societal unrest and a shadowy group stoking the fires of discontent burning in America. Words were replaced by weapons as neighbor turned on neighbor, and powerful forces stopped at nothing to reshape a nation in turmoil. America had become embroiled in something more than a clash of ideologies. She now faced a battle in which the blood of patriots and tyrants would be shed. As Americans struggled to survive, they sought a place of safety where they could ride out the coming storm. However, even if they can overcome the threats confronting them, will they bear witness to an America hell-bent on destroying itself? This is a story of a nation divided, on the cusp of a second civil war, and what that portends for our future. Remember, all empires collapse eventually, and America will be no exception."--Publisher description.

The Final Day William R. Forstchen 2017-01-03 A major release in the New York Times bestselling One Second After series, set in an alternate America rebuilding after an electromagnetic pulse, this is William R. Forstchen's The Final Day. Since the detonation of nuclear weapons above the United States more than two years ago, the small town of Black Mountain, North Carolina has suffered famine, civil war, and countless deaths. Now, after defeating a new, tyrannical federal government, John Matherson and his community intend to restore their world to what it was before the EMP apocalypse. For the most part, they are succeeding. This period of relative stability doesn't last long. A new, aggressive government announces that it's taking over and ceding large portions of the country to China and Mexico. The Constitution is no longer in effect, and what's left of the U.S. Army has been deployed to suppress rebellion in the remaining states. John fears he and his town will be targets. General Bob Scales, John's old commanding officer and closest friend from prewar days, is sent to bring John into line. Will John and his people accept the new, autocratic regime? Or will revolution rip the fledgling nation apart at the seams? Months before publication, William R. Forstchen's novel One Second After was cited on the floor of Congress as a book all Americans should read. This third book in the series immerses readers once more in the story of our nation's struggle to rebuild itself after an electromagnetic pulse wipes out all electricity and plunges the country into darkness, starvation, and death. Doomsday Civil War Bobby Akart 2019-04-17 A nation cannot be civil without civility. To some, civility cannot be restored until power is regained. A Civil War was a necessary evil, but make no mistake, it was evil. What do we, as human beings, owe to one another? And, what does it mean to be civilized when civilization is collapsing all around you? Author Bobby Akart once again masterfully tells a tale of a nation on the edge of societal collapse. For decades, Americans had found themselves increasingly at odds with one another - politically, socially, and culturally. The Second Civil War will not pit Americans against one another over territory. It will be a fight for the heart and soul of our nation in which everybody will lose. Geostorm The Shift Bobby Akart 2019-09-11 Earth is alive. Deep beneath her skin is our planet's life blood. Rivers of molten iron, pushing around a core - her beating heart. This moving, fluid iron generates the magnetic field maintaining the delicate balance of life on earth. Until she has a change of heart. "Spellbinding. Best Akart book to date--no one can hold your attention

better!" International bestselling author Bobby Akart delivers pulse-pounding thrills in The Geostorm Series, the story of a planet-changing phenomenon, a natural disaster brought about by the Earth itself. "Every time I have read a series by this author, I think, wow, this is the best. Now, I think, this is definitely the best. Action, suspense, everything--a definite thumbs up." The Earth's magnetic field surrounds our planet like an invisible force field connected by a north and south pole. It's what makes compasses point north and it protects our atmosphere from the continual bombardment of geomagnetic storms from the Sun. Without a magnetic field, the planet's atmosphere would be stripped away leaving critical infrastructure at risk and humanity exposed to deadly radiation. What happens when these poles begin to wander? This field grows weaker with deadly consequences for all of humanity. The change in the world's climate could change the face of the planet as we know it. "Akart is one of those very rare authors who makes things so visceral, so real, that you experience what he writes." Readers will become enthralled with the discoveries of Chapman Boone, former storm chaser, and full-time field meteorologist who begins to experience extraordinary weather anomalies. His sister, Kristi Boone, is a Doctor of Veterinary Medicine known for being attune to the exotic animals within her care. At first, the changes in the animals' behavior are subtle ... until they aren't. Follow the story of the Squire and Sarah Boone family, Indiana farmers and their children who begin to recognize the signs of The Shift. "Bobby Akart is truly one of the best, greatest writers alive today."
